A FIRST-TIME OFFER: THE OFFICIAL UNITED STATES MINT LINCOLN MEMORIAL ONE CENT BOOK

Many people began their coin collections after being introduced to the hobby by a relative or friend and built their collections cent by cent using collector books like this one. The special edition Lincoln Cent collector book is a practical, easy and fun way to share coin collecting with youngsters, so the Mint would like to make an extraordinary offer to you.

With every order over $50.00 from this catalogue, you'll automatically receive The Official U.S. Mint Lincoln Memorial One Cent book featuring the U.S. Mint seal and we will start your collection with a 1993 cent.

Additional copies can be purchased for only $2.50 each.

Enjoy the collector book and the time spent sharing your hobby with loved ones.

DEPARTMENT OF THE TREASURY
UNITED STATES MINT
WASHINGTON, D.C. 20220

Dear Mint Customer:

I am pleased to send you the 1993 U.S. Mint Catalogue, featuring beautiful new coins and medals to enhance your collection or to give to others as gifts.

As a valued customer of the Mint, you know the joy and excitement that your coin collection brings. It is a goal of mine, as Mint Director, to encourage others—particularly young children—to experience the fun of collecting as well.

We have embarked on a major project in which educational materials featuring information about our nation's coins and currency will be distributed to elementary schools in the United States. Additionally, we have developed several new and exciting offerings, some targeted specifically to encourage new collectors, which are featured in this year's catalogue.

An exciting new product is being offered in the catalogue—an official U.S. Mint Lincoln Memorial One Cent Book. Specially designed in Treasury green and featuring the U.S. Mint Seal, this item is a perfect gift for an experienced collector to purchase for a new collector—maybe a child or grandchild.

As our gift to you, we will include one of these special books with your order of $50.00 or more.

From proof and uncirculated sets to exquisite commemorative issues to special medals featuring distinguished people and events, there is truly something for everyone in the 1993 U.S. Mint Catalogue.

Sincerely,

David J. Ryder

David J. Ryder
Director of the Mint

P.S. Quantities are limited for our special packaging options so order early to assure that the sets you want are available. If you are buying any items from our catalogue for holiday gift-giving, be sure to order by November 1, 1993.

DON'T BE DISAPPOINTED... STRICTLY LIMITED MINTAGES

Coins celebrate the triumphs of our country's ideals, commemorate significant events in our history, and bear the imprint of people who have shaped our lives. In the same wonderful way, coins can mark personal landmarks in your life and the lives of people you care about. They can be passed down from generation to generation, giving special meaning to family events and adding to the rich heritage of tradition.

The 1993 American Eagle Proof Coins are minted with hand-finished dies and meticulous multiple striking, which gives their elegant design a stunning clarity. Choose individual coins or the complete Four-Coin Set, containing each of the gold denominations.

Notice Regarding Orders for 1993 American Eagle Proof Coins: Gold Proof Eagle orders will be accepted only until December 31, 1993, or a sell-out, whichever occurs first. Silver Proof Eagles will remain on sale beyond December 31, 1993, quantities permitting.

1993 AMERICAN EAGLE PROOF COINS

1993 Proof Set

Proof coins are not only beautiful, they are mementos that capture significant events in time. That makes them a wonderfully thoughtful way to mark the special moments that occur in our lives. You can give proof coins as gifts that celebrate and commemorate:

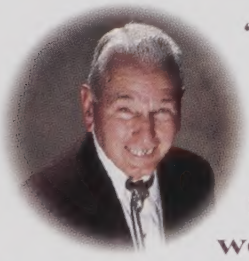
Graduations
Birth of a Child
Weddings
Anniversaries
Birthdays
Reunions
Other Landmark Occasions

Such a gift increases in significance with every memory it evokes.

These exceptional coins are always among the favorites in the numismatist's collection, and they make wonderful gifts for starting collections. Their remarkable beauty is a result of a complex and painstaking minting process. Created from special blanks and highly polished dies, each coin is struck at least twice on specially designed equipment, and meticulously crafted to meet stringent specifications. They are well known as some of the finest proof coins produced anywhere in the world.

The five proof coins in the 1993 set are the Lincoln cent, the Jefferson nickel, the Roosevelt dime, the Washington quarter and the Kennedy half dollar. Each carries the "S" mint mark of the San Francisco Mint, where they originated. The set is presented in a handsome display case and is accompanied by a Certificate of Authenticity.

P93 1993 Proof Set $12.50



"I found out about the Mint's design competition at Christmas and the deadline was January 15th. I'm an amateur collector, as well as an artist, and I was a tank commander in WWII, so I knew I had to enter. I worked right through the holidays and came up with six drawings. The one they chose is on the reverse of the Half Dollar." Bill Leftwich, WWII Veteran and Coin Designer

Across the country, artists like Bill Leftwich entered the design competition for the World War II 50th Anniversary Coins. The winning designs are an inspiring and fitting tribute to the efforts and sacrifices our Nation made during that dramatic chapter in world history.

The gold five-dollar coin celebrates the victory of WWII; the silver dollar commemorates the invasion of Normandy,

one of the major turning points of the war in Europe; the clad half-dollar obverse pays tribute to the men and women of all the armed services; and the clad half dollar reverse honors those who fought in the Pacific theater.

BILL OF RIGHTS COMMEMORATIVE COIN AND STAMP SET

This issue marks the first time in U.S. Mint history that a commemorative coin and stamp have been offered together as a set. It is a handsome display piece showcasing the Bill of Rights Proof Silver Half Dollar, along with the Bill of Rights Commemorative Stamp. Each has appeal in its own right, but as a specially packaged set, with only 50,000 issued, it becomes a special rarity that collectors everywhere seek out. You will want to acquire this set right away because quantities are **limited.**

WORLD WAR II HALF DOLLAR IN ACRYLIC

The U.S. Mint is proud to offer an exciting new product, the World War II 50th Anniversary Uncirculated Clad Half Dollar embedded in crystal-clear acrylic. This handsomely packaged coin is ideal for display on a desk, bookshelf or other prominent location. The half dollar obverse pays tribute to the men and women of all the armed services and the reverse honors those who fought in the Pacific theater.

The dramatic presentation is perfect for numismatists eager to display their coins, and is a thoughtful expression of appreciation for our World War II veterans and their families.

THE PHILADELPHIA SET

Created especially for 1993, The Philadelphia Set marks the first year the American Eagle Silver Proof Coin will be minted in Philadelphia. The set includes the one-half, one-quarter and one-tenth ounce American Eagle Gold Proof Coins; the one ounce Silver Proof Coin; and a special *silver* medal commemorating the 200th anniversary of the striking of the first official U.S. coins at the Philadelphia Mint – all bearing the "P" mint mark. This unique collection is offered only in 1993. Next year, the minting of the gold fractional coins will move from the Philadelphia Mint to the West Point Mint. Mintages are strictly limited! See American Eagle specifications on Page 4.

G63 The Philadelphia Set $499.00

The idea that individuals are born with certain rights was not popular among the world's governments in the 18th century when our forefathers were busy creating a new nation. The Constitution of the United States contained few personal guarantees when it was ratified in 1789. But Statesman James Madison saw personal freedom as essential to the American spirit, and he worked tirelessly for the adoption of 10 Constitutional Amendments, which became known as The Bill of Rights.

The Bill of Rights Commemorative Coins honor Madison and his legacy: our right to life, liberty and the pursuit of happiness.

The 1993 Bill of Rights Coins exemplify the U.S. Mint's continuing commitment to artistic excellence. Their classic designs and stirring symbolism give them special appeal for collectors. The Five-Dollar Gold Coin features James Madison studying his work on the obverse, and a Madison quote, accented by a majestic eagle, on the reverse. The Silver Dollar bears a powerful portrait of Madison on the obverse, and the elegant Georgian lines of Madison's Virginia Home, Montpelier, on the reverse. The Silver Half Dollar obverse portrays Madison penning the famous words, and the torch of freedom is on the reverse.

THE BILL OF RIGHTS

1993 SILVER PROOF SET

"These coins are unique for their silver content, their fine art of coin design and the breadth of our nation's history which they depict. They represent more than 170 years of the Presidency of the United States. Through portraits of Washington, Jefferson, Lincoln, Roosevelt, and Kennedy, we celebrate and preserve our country's collective memory: the American Revolution and the Constitution; the Declaration of Independence and the Louisiana Purchase; the Civil War and the Emancipation Proclamation; World War II and the "Four Freedoms" Speech; the Cuban Missile Crisis and the Peace Corps."

Maria Goodwin, United States Mint Historian

With this set, the singular beauty and technical artistry of proof coins are accentuated by precious metal. The dime, quarter and half dollar are 90% silver. Struck at the historic San Francisco Mint, bearing the distinctive "S" mint mark, these coins are to be treasured as the finest example of the minter's craftsmanship. The Silver Proof Set comes in an impressive black package, conveniently compact for storing multiple sets. The Premier Silver Proof Set comes in an elegant black velvet presentation case. Both sets come with a Certificate of Authenticity signed by the Director of the Mint.

1993 Uncirculated Coins

Uncirculated coins are prized by numismatists. After striking, the coins are carefully packaged in clear Mylar® to protect their mint condition. Ten coins make up the complete 1993 Uncirculated Set: a Kennedy half dollar, Washington quarter, Roosevelt dime, Jefferson nickel and Lincoln cent from both the Denver and Philadelphia Mints, plus special mint mark pieces from each mint bearing the distinctive "D" and "P." A brochure accompanies the set, giving specifications and historical facts for each denomination. This is the ideal set to introduce a youngster to the fascination of coin collecting.

PERSIAN GULF VETERANS NATIONAL MEDAL
DEDICATED TO THE MEN AND WOMEN OF THE ARMED FORCES WHO SERVED THEIR COUNTRY IN THE PERSIAN GULF CONFLICT

PERSIAN GULF VETERANS NATIONAL MEDAL

This Congressionally authorized bronze medal commemorates the sacrifices made and service rendered by members of the U.S. Armed Forces who serve in a combat zone in connection with the Persian Gulf conflict. The **Presentation Package** features the medal in a velvet presentation case with a special protective sleeve. The **Collector's Package** comes in a unique envelope and includes the medal with an easel and informational tent card. Both come with a Certificate of Authenticity. A portion of the proceeds from the sale of this medal will cover the cost of minting duplicate silver Persian Gulf Veterans National Medals to be presented to all veterans, or their next of kin, who served in the Persian Gulf.

960 1-1/2" Persian Gulf Medal – Presentation Package.....$15.50
961 1-1/2" Persian Gulf Medal – Collector's Package.....$12.50

"This medal is a fitting tribute to the men and women of the U.S. Armed Forces who distinguished themselves with bravery and dedication in the Persian Gulf Conflict."

General Colin L. Powell, Chairman of the Joint Chiefs of Staff

SUSAN B. ANTHONY DOLLAR

This is a coin of "firsts". It is the first U.S. coin in circulation to pay tribute to a woman, Susan B. Anthony, who was a champion of women's rights, and was the leading crusader in the women's suffrage movement of the 19th century. Another first is symbolized on the reverse: the historic Apollo XI landing, when man first set foot on the moon. This is a special and momentous coin to keep or give in honor of personal achievements.

For a truly unusual and memorable gift, consider the Susan B. Anthony Dollar Coin Bags: 100 and 2,000-coin bags of 1979 or 1980 Susan B. Anthony dollars, bearing mint marks of the Denver, Philadelphia or San Francisco Mints.
